THE 49TH EUROPEAN TRANSPORT CONFERENCE

Annual Conference of the
Association for European Transport
13 - 15 September 2021: Online

WHERE RESEARCH, POLICY, AND PRACTICE IN TRANSPORT COME TOGETHER

ETC 2021: WHAT CAN YOU EXPECT?

The conference attracts transport policy makers, practitioners and researchers from all over Europe and beyond. ETC offers in-depth presentations on policy issues, best practice and research findings across the broad spectrum of transport.

Due to the ongoing COVID-19 pandemic, ETC 2021 will be held as a virtual event, taking place in September.

Key conference themes to be explored this year include:

- COVID-19 and the consequences
- The Climate Emergency
- Inclusion and Diversity

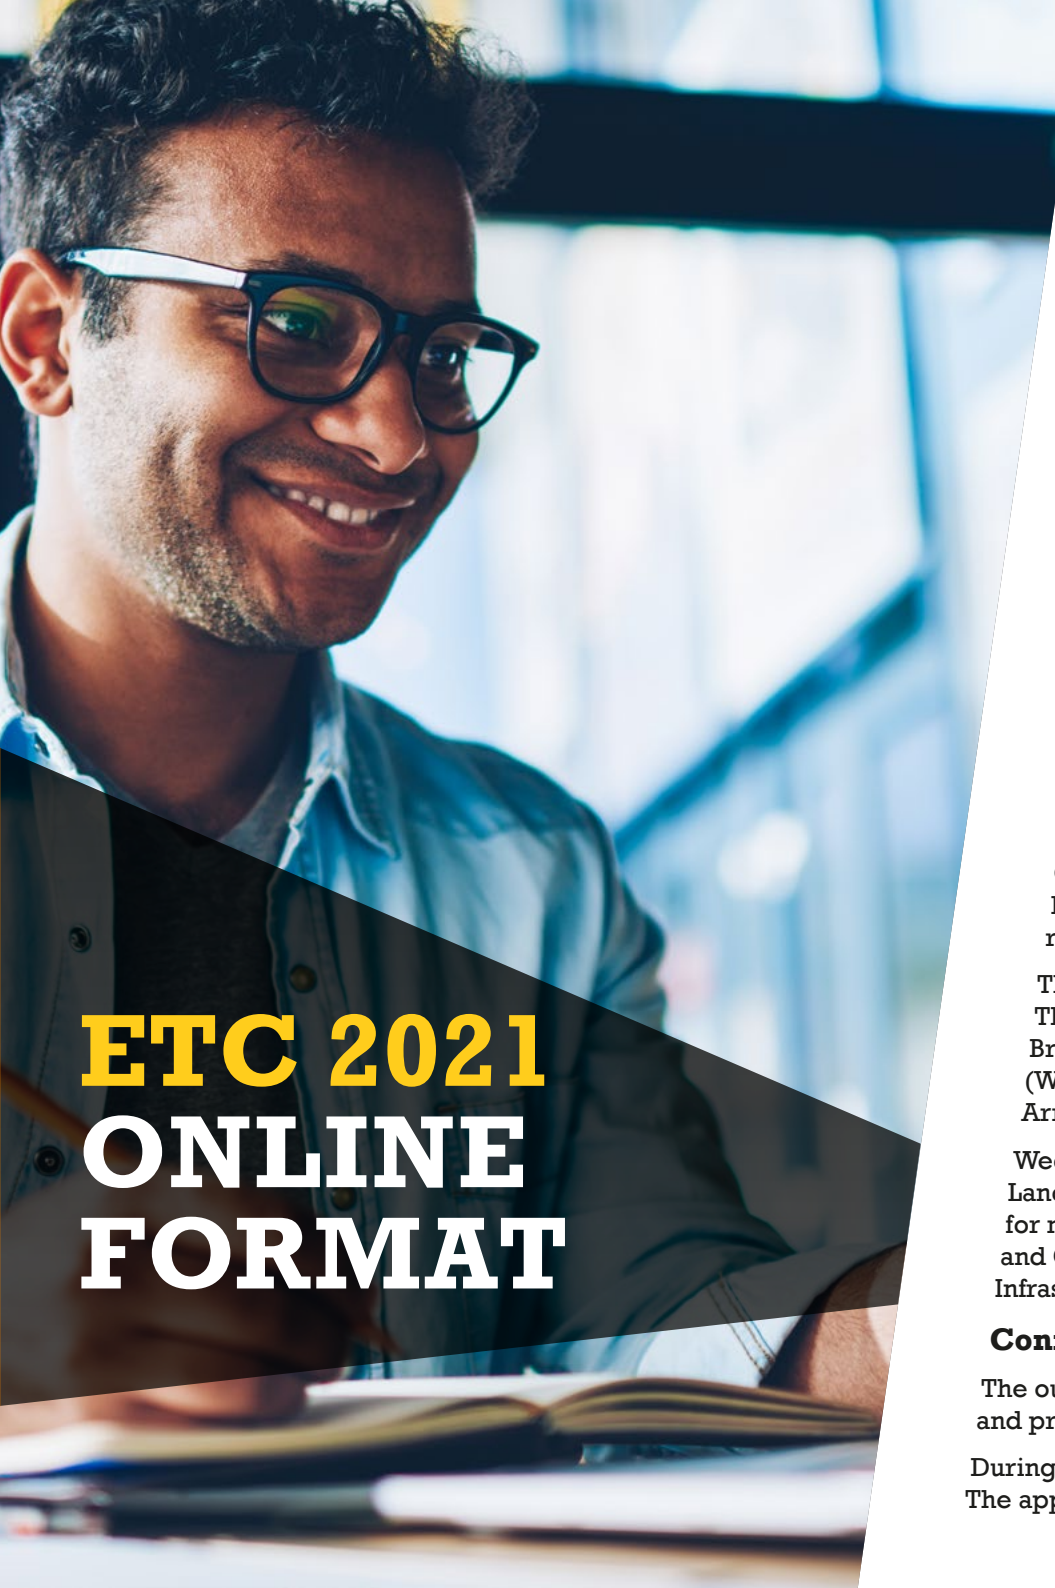

The online conference provides a forum for the usual topical debate and reflection. ETC continues to offer the expected first class multi-disciplinary range of speakers encompassing research, policy and practice, making this event unique in Europe.

In numbers:

- Over 250 papers presented
- Up to 10 parallel sessions per day
- 3 days of networking, presentations, activities
- Around 550 delegates
- Attendees from over 30 countries worldwide

Networking opportunities:

- Conference app with full integration to desktop web browser access for optimal user experience in online seminars and social interaction
- Virtual tours and visits
- Programme Committee meetings
- Chat rooms
- Exhibition and access to sponsors

ETC 2021 **ONLINE** **FORMAT**

The conference maintains its unique identity of a multi-disciplinary, multi-seminar format but in an online environment. There will be a choice of up to 10 parallel seminars per day plus plenary sessions. Parallel sessions start at the same time to allow delegates to move between sessions if they wish.

The technical sessions will have a Session Chair to introduce the speakers, moderate the session and handle questions. In addition, there will be the opportunity for social networking using Mibo software.

There will be an online exhibition ensuring that the valued supporters of the conference have the opportunity to engage with delegates, displaying information about their products and services.

Stimulating Sessions

A key aspect of the conference is its scope which covers the whole range of policy implications of research as well as technical details on data analyses or the design and operation of a model. Its reputation has been built on the important collaboration and knowledge transfer between research, policy and practice. Practitioners and policy makers are encouraged to relate their presentations to the research behind the implementation of schemes and policies.

Keynotes

The Conference is proud to attract eminent speakers and this year is no exception:

On Monday 13 September, Matthew Baldwin, the Deputy Director General of DG MOVE, European Commission will open the ETC with his talk on Infrastructure funding plans for the recovery after COVID-19.

This will be followed on Tuesday by an International Plenary Panel, on the subject of The Effects of Covid-19 on Transport, comprising: Professor Tae Hoon Oum, University of British Columbia, CA and President of the World Conference on Transport Research Society (WCTRS); Simon Nielsen, Head of Policy Appraisal and Evaluation, Transport for London, UK; Arrigo Giana, General Director ATM, the public transit agency of Milan, IT.

Wednesday brings a Keynote Session on Cycling, organised by the Planning for Sustainable Land Use and Transport Programme Committee, featuring Lot van Hooijdonk, Utrecht Alderman for mobility, energy and green. Followed by the plenary, Contribution to Future Harmonised and Cohesive European Transport, presented by Dirk Beckers, Director, European Climate, Infrastructure and Environment Executive Agency (CINEA).

Conference Programme

The outline programme is set out on the following pages. For full details of the individual speakers and presenters please refer to the AET website: www.aetransport.org

During the conference, a specialised app will guide delegates through the programme. The app will be available for smart phones, tablets and other computing devices.

BOOKING INFORMATION

SPONSORSHIP AND EXHIBITING DETAILS

AET would like to encourage a new community of delegates to experience this great event. ETC Online will open up access to the conference to many who would not otherwise be able to attend because of distance and time away from their office or home.

AET would encourage delegates to sign up for the whole conference. However, attendance for one or two days is also possible.

Attendance fees

The fees for ETC Online have been modified to maximise attendance and to reflect the extraordinary situation in 2021. Everyone who attends the conference pays the appropriate attendance fee for one, two or three days. This includes speakers and Programme Committee members. Members of the Association receive discounts on their attendance fees according to their category of membership. ECTRI members benefit from the same discount as AET Organisation Members.

A 50% discount will be available to the following attendees:

- ◆ Delegates from member states of the European Union that joined in 2004, 2007 and 2013
- ◆ Young professionals (under the age of 26 or those with less than 5 years' professional experience)

In addition, full time students can attend for only £100/€115 plus VAT for three days.

Further discounts for multiple bookings from the same organisation are available on request.

To book your place online, please visit our website: www.aetransport.org or complete and return the booking form that is downloadable from the same website.

Sponsorship and exhibiting

ETC Online offers the perfect platform to present your organisation and key projects to its diverse audience.

Sponsors and exhibitors already confirmed for #etc2021online include: PTV, Doppelmayr, Moovit, Arup, Tracsis, Jacobs, Goudappel, Accent, Aimsun and Vectio.

To join them and learn how you could participate, please contact Sabrina Winter: sabrina.winter@aetransport.org

Conference language

The language of the conference is English and all presentations will be made in English. Delegates are advised that it is necessary to have a good standard of spoken English to take full advantage of the conference.

Open access and publication of papers

Quality research papers will be selected this year for special issues in high-ranked journals of Transport and Mobility sectors.

The organisers of ETC - The Association for European Transport - believe that research papers being published openly online will help future progress in transport, environmental and technical areas.

Papers presented at ETC 2021 will be uploaded to the Association website.

Digital archive

Conference papers, dating from 1996, are archived on the AET website, where they can be downloaded easily and permanently for the international transport community.

THE ASSOCIATION FOR EUROPEAN TRANSPORT

**The Conference has been held since 1973.
The Association was formed in 1998, to take
prime responsibility and provide overall
leadership of the Conference.**

The Association for European Transport is comprised of around 200 corporate and individual members, based in over 35 countries. It was formed in 1998 to develop a network of transport professionals across Europe. Members receive discounts on publications and on attendance fees for the European Transport Conference and are able to shape the conference by becoming members of the Programme Committees and of the Association Council.

Membership is open to both individuals and organisations, with a sliding scale of membership fee based upon the size of the organisation.

Benefits of membership to our Association include:

- ♦ Discounted member rates at the European Transport Conference
- ♦ Access to AET initiatives and discussion fora through dedicated pages of the AET website
- ♦ Facilities for publishing and disseminating research findings, and sharing practical experience
- ♦ Growing your network with members throughout Europe
- ♦ The opportunity to help shape future conferences by participating in programme committees
- ♦ The opportunity to participate in the running of the Association via the Board of Directors and the AET Council

To find out more about how to get involved, please contact:

Sally Scarlett: sally.scarlett@aetransport.org
or Sanderijn Baanders: sanderijn.baanders@aetransport.org
or visit the website: www.aetransport.org

The Association General Assembly

The Association for European Transport will hold its General Assembly during the conference. The annual business of the Association will be conducted and the results of the election of members to the AET Council will be announced. The General Assembly is open to all who are interested but only current members of the Association are eligible to vote at the meeting.

Programme Committees

The Programme Committees lie at the centre of the planning and delivery of ETC. They reflect the membership of the Association and cover a wide span of interests and professional experience. Opportunities exist to join a Programme Committee.

Sally Scarlett is always happy to answer questions about their role and activities on: sally.scarlett@aetransport.org

The Programme Committees (and their chairs) in place for ETC 2021 are:

- ♦ Planning for Sustainable Land Use and Transport (Danielle Snellen, PBL, NL)
- ♦ Transport Models (David Christie, Transport for London, UK)
- ♦ Transport Economics, Finance and Appraisal (John Siraut, Jacobs, UK)
- ♦ Intelligent Mobility - management and operations (Gav Jackman, Aimsun, ES and UK)
- ♦ Freight and Logistics (Thierry Vanelslander, University of Antwerp, BE)
- ♦ Local Public Transport (Niels van Oort, TU Delft, NL)
- ♦ Rail Planning and Policy (Mark van Hagen, NS, NL)
- ♦ Global Trends Impacting Transport (Vladimir Momcilovic, University of Belgrade, RS)
- ♦ Data (Johnny Ojeil, Arup, UK)
- ♦ Young Researchers' and Practitioners' Forum (André Goncalves, Sweco, UK)

Networking with international colleagues

The conference provides a brilliant opportunity for all participants to engage with transport experts from around the world and become part of a specialist community. Attendance at ETC allows different groups to pose questions to fellow professionals and to assess what is possible within their community.

As with last year, access to the ETC programme, papers, presentations, social activities and the exhibition will be via the Socio platform. All registered delegates will be receive a unique password to access it, allowing for real-time updates and ensuring full social interaction during the conference.
