

**European Transport Conference**  
**7 – 9 September 2022**  
**Milan, Italy**  
**CALL FOR PAPERS**  
**Deadline 7 February 2022**

## Freight and Logistics

The Programme Committee has highlighted areas of interest for the 2022 Conference:

- Green freight transport
- E-Highways for trucks
- Digitalisation in logistics
- Smart urban logistics

The Programme Committee would also like to receive ideas for, and offers of, workshops can be set up around specific themes, for either new ideas and/or more developed concepts.

The Programme Committee would welcome contact from those involved with the development and use of tools and models. It hopes that there will be interest in discussion sessions in which participants will be tech developers, consultants and academics.

## Freight and Logistics Programme Committee

### Chair:

<b>Thierry</b>	<b>Vanelslander</b>	<b>University of Antwerp (BE)</b>

Vasco	Reis	Instituto Superior Técnico (PT)
Morag	Robertson	Jacobs (UK)
Russell	Thompson	University of Melbourne (AU)
Pieter	van Houwe	MINT (BE)
Inge	Vierth	VTI (SE)

### Important notice:

If you submit an abstract, this will go through a selection process. Each year we receive more abstracts than can be accommodated in the programme. If your abstract is selected, please be aware that others have been rejected, that the ETC organisation has invested time in devising an attractive and coherent programme and that delegates have used this programme to decide to come to the conference.

Before submitting your abstract, please make sure there is time and funding to have at least one of the authors come to the conference to present the paper and that you have/will obtain the approval needed (from management or client) to present the work in public at the time of the conference.

**European Transport Conference**  
**7 – 9 September 2022**  
**Milan, Italy**  
**CALL FOR PAPERS**  
**Deadline 7 February 2022**

We do understand that sometimes circumstances change, forcing authors to withdraw. You would help us by informing us as soon as possible, preferable ample time before the conference. Last minute withdrawals or no-shows negatively affect the conference experience of your fellow transport professionals.
